

**When selecting fonts and logos be advised the minimum line thickness is .010".  
Fonts and designs that do not meet this requirement may be changed or eliminated.**

The diagram shows a horizontal rectangular label with rounded corners. On the left and right sides, there are rectangular tabs, each containing a small circle representing a hole. The central area of the label is shaded light gray and contains the text "Print Area" and "1-1/2" x 6-1/4" in a black, sans-serif font.

Print Area  
1-1/2" x 6-1/4"
